Transcript

Born to make a difference.

By Rev Sam Oye

(Romans 8:28)

And we know that all things work together for the good of those who love God, and those who have been called according to his purpose."

Our God is a God of purpose, having a will of His own pleasure; He created all things for His will that He might accomplish and fulfill His purpose. You were created on purpose and for a purpose. The reason for your presence is to make a difference. Until you know why you exist, you will never find fulfillment in what you do. Purpose gives existence meaning. God brings people who are connected to our purpose and assignment into our lives. Psalm 57:2 says, "I cry out to God Most High, to God who fulfills his purpose for me. .

I lost my father at a young age right before I gained admission to the university. My father had a vivid and clear plan of how he wanted my life to go. God however revealed to me that my father's will for my life contradicts divine purpose for me. God will shut down anything/anyone operating contrary to His plan. You cannot die until your purpose is achieved. Purpose guarantees your longevity. Many people struggle because they are living outside the purpose which they were sent to accomplish on earth. There is more to life than ambition. Ambition is driven by strength while purpose is governed by grace.

Until you discover your purpose, you will never feel fulfilled, accomplished, or truly successful without it. The day you find purpose, that day you have found your channel of income. Your purpose is your provision.
