TOPIC: SUPERNATURAL BREAKTHROUGH THROUGH THE ANOINTING (Part 2)

Text: Isaiah 10:27 (NKJV)

MINISTER: Rev. Dr. Sam Oye

Isaiah 10:27 (NKJV) It shall come to pass in that day that his burden will be taken away from your shoulder, and his yoke from your neck, and the yoke will be destroyed because of the anointing oil.

SERIES CONTEXT

This message is Part 2 of the series on Supernatural Breakthrough. Through the Anointing, continuing directly from the first service. The teaching deepens the exploration of yokes what they are, how they operate, and how they are destroyed while expanding into the nature of the anointing, the call to national and political engagement, and the personal application of yoke-breaking.

OPENING PROPHETIC DECLARATION

The service opened with a declaration from 1 Kings 18:1-4 the account of Elijah and the famine in Samaria. The preacher declared:

As Elijah showed himself before King Ahab and rain came upon the land, so God will send rain upon every area of drought in your life.

God will send you an Obadiah a divine helper in the palace of power to preserve your purpose, your assignment, and your provision even in seasons of famine.

Every Jezebelic spirit sent to cut off your vision, business, marriage, or family is rebuked in the name of Jesus.

RECAP: WHAT IS A YOKE?

The Hebrew word for yoke is OL and the Greek is zugos. A yoke is a wooden instrument used to join animals together for control, direction, and labour.

A yoke is anything any tool, device, or person used to:

CONTROL your life and choices

REGULATE your speed and momentum

DIRECT you toward destinations you did not choose

RESTRAIN you from rising to your God-given potential

FRUSTRATE your advancement and manipulate your destiny

A YOKE IS THE SPIRIT OF BONDAGE THAT KEEPS A PERSON RESTRICTED, OPPRESSED, ENSLAVED, AND DRAINED OF STRENGTH.

SIGNS THAT A YOKE IS OPERATING

Oppression something always pressing you down

Captivity unable to break free despite wanting to

Limitation wanting to go forward but unable to rise

Emotional exhaustion and loss of strength despite adequate rest

Strange fear, unusual rejection, mysterious financial lack

Repeated failures especially failure at the verge of success

Hard work producing little or no result

Many people are not lazy they are just yoked. Many are not empty or giftless they are just yoked.

THE 21ST CENTURY YOKE: YOUR DEVICE

The latest yoke is not always a spiritual entity it can be a physical tool. God created trees; mankind used wood to make yokes. Similarly, mobile phones and devices have a legitimate purpose, but they have become powerful instruments of control for many:

Social media addiction compulsive scrolling with no clear purpose

Access to pornography, drug networks, and immoral connections via phone

Any person, habit, or platform that controls and regulates your direction is a yoke

WHAT IS THE ANOINTING?

The anointing is not a general sensation or religious emotion it is a specific empowerment for a specific purpose.

Key Scriptures:

Exodus 28:41 (GNT) Aaron and his sons were anointed to serve.

Luke 4:18 (KJV) The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor.

Types of Anointing Identified:

Anointing to serve (Exodus 28)

Anointing to preach (Luke 4:18)

Anointing to create (Bezalel Exodus 31)

Anointing to rule and lead (David)

Being trained in communication is not the same as being anointed to preach. Training enhances; the anointing empowers. The anointing always comes toward a specific end.

The anointing is not for carrying s sake if the anointing is on your life, it is for a purpose. Rev Sam Oye

THE ANOINTING TO RULE: DAVID S EXAMPLE

David did not join a political party or campaign for office. He carried only one thing: the anointing for the throne. God orchestrated the collapse of every opposing structure until the entire nation first Judah, then all twelve tribes of Israel came to David and said, You are our king.

Key Lesson: If you are anointed for something, God will work it out. It is a matter of time.

THE CALL TO NATIONAL ENGAGEMENT

One of the most stirring portions of the message was a direct charge to Christians to stop praying from the sidelines and actively enter the arenas of society:

Politics is dirty because of Christian absence. Light has no value among light it must penetrate darkness.

Join political parties. Join the military. Join the police. Stop praying for them from outside go in.

You are salt and light. Salt s power is not in its colour but in its content. Penetrate, infiltrate, saturate, and colonise.

Esther hid her true identity (Hadassah) to penetrate the palace. Daniel took a Babylonian name but did not lose his identity.

When the righteous are in authority, the people rejoice (Proverbs 29:2).

Application: Identify the arena you are called to infiltrate. Step into it with the anointing, not just ambition.

LEADERSHIP AS A YOKE: THE NIGERIAN CONTEXT

Rev Sam addressed the Nigerian economic and leadership crisis directly, drawing a parallel to the 3-year famine in Elijah s time and Nigeria s 3 years of economic hardship under the current government:

Leadership can be the yoke placed on a nation controlling, restraining, limiting, and manipulating a people s potential.

Nigeria s greatest yoke is also its people greed, a willingness to be bought, and tolerance of corrupt leadership in exchange for personal favour.

Rwanda is a living example: a nation that removed its yoke of destructive leadership and is now a destination that citizens of developed nations want to relocate to.

Singapore s transformation under Lee Kuan Yew began with integrity covenants among cabinet members a government built on accountability, not transactional loyalty.

Decree: The yoke of corrupt leadership over Nigeria will not be transferred to the next generation. This yoke must be destroyed.

TYPES OF YOKES (SUMMARY)

Relational Yokes wrong associations, friends, or a spouse who limits rather than lifts

Marital Yokes who you marry can become the instrument that regulates your destiny

Secret Habit Yokes private sins and addictions that create guilt and restrict

participation in God's purposes

Bloodline / Generational Yokes patterns of limitation that run through family lines

Leadership Yokes corrupt governance at any level of society

THE YOKE OF CHRIST: THE ONE YOKE TO TAKE

Jesus said: Take my yoke upon you (Matthew 11:29). This is the only yoke you are invited not forced to carry.

The adversary's yoke is placed by force. The yoke of Christ is taken by choice.

Reject every yoke that poverty, fear, or habit has placed on your neck. Poverty should not tell you where to eat, what to buy, or how to give. Break it by acting on God's Word.

THE YOKE OF FINANCIAL LIMITATION

Rev Sam shared a personal testimony: in 2008/2009, God instructed him to give \$1,000 nearly all his savings at the time. In obedience, he gave. That act of faith was his turning point. Shortly after, he was invited to the United States, all expenses paid, and returned with far more than he had given.

Application: Yokes don't leave until you hate them. First, hate the yoke. Then, act in the opposite spirit. Give generously. Refuse to let poverty set the terms of your obedience.

"Yokes don't leave until you hate them. The first thing is to hate the yoke this thing regulating my life. That is the beginning of your deliverance." Rev Sam Oye

YOUR ACTION STEPS THIS WEEK

Name the yoke. What has been controlling, restraining, or regulating your rise? Call it by name and reject it.

Hate the yoke enough to act. Yokes do not leave people who are comfortable with them.

Ask: What arena has God anointed me to infiltrate? Politics? Military? Medicine?

Business? Step into it intentionally.

Give generously this week. Break the yoke of financial limitation by giving beyond your comfort zone.

Attend Thursday's Anointing Service at 5:30 p.m. specific yokes will be broken and

the anointing imparted for different spheres of life.

Join Prophetic Prayer Hour (PPH) Monday at 5:50 a.m. on Facebook and YouTube @RevSamOye to pray through these yokes.

Bring a friend next Sunday Operation Andrew: Friends & Family Sunday, focused on breaking the yoke of financial crisis.

Closing Declaration I am yoke-free. I reject every yoke of poverty, limitation, fear, and generational bondage. As I show myself before the King of Kings, let there be rain upon my land, my business, my family, and the works of my hands. The anointing is upon me. The yoke is destroyed. In Jesus mighty name. Amen.
