EVERY SATANIC DISTRACTION MONITORING YOUR PROGRESS, I COME AGAINST IT RIGHT NOW IN JESU NAME!

Some of the pleasures that distract you are Social Media, Television, Fake living e.t.c.

Alternative: Any time you want to pursue something great, there will always be an alternative. The purpose of the alternative is to stop you from pursuing your main goal. Sometimes, what the enemy will use to distract you is not what is bad, he will use what is appealing to distract you from what is great.

People's Opinion: the Sons of the Prophets kept giving opinions. Nothing distracts you better than 'what will people say' People will always talk, it is better to know what you want and go for it. What will people say is one of the shortcuts to failure in life.

To succeed in life, you must have tough skin.

Nehemiah 6:1-2

If you are doing great work, it is not everybody you should answer. If the enemy can't kill you, they will distract you.

I rebuke every satanic distraction in the name of Jesus.

Impatience: people want quick success. Stop wanting to blow after one year. Success cost something.

Distraction will break your focus! You are powerful when you are focused and weak when you are scattered!

Every satanic distraction monitoring your progress, I come against it right now in Jesus' name!
